## **MYOB recognises Enprise Solutions as New Zealand Partner of the Year 2014**

Enprise Solutions, a business division of Enprise Group Ltd (NZAX:ENS) has, together with fellow MYOB partner Brunton, been recognised as MYOB Enterprise Solutions Partner of the Year 2014.

The award recognises a partner's high level of excellence across sales, growth and client service of MYOB Enterprise Solution clients in New Zealand in 2014.

Enprise also received a second award for "Excellence in Business Development in New Zealand".

Andrew Birch, General Manager of Industry Solutions, MYOB recognised the two leading Partners for their exceptional work in New Zealand.

"Both Brunton and Enprise Solutions have done incredible work in 2014 delivering outstanding results, and we're looking forward to an even bigger year with our partners in 2015."

Enprise CEO, Mark Loveys said "I'm thrilled to accept these awards on behalf of the Enprise team. We are dedicated to delivering outstanding results for our business customers throughout Australasia, using innovative MYOB software solutions and the deep expertise of our people. 2014 was a great year for us and our customers - and this looks set to continue through 2015".

Enprise Solutions is a leading provider of service and solutions based on the MYOB EXO and MYOB Advanced software platforms for mid-sized businesses. A division of Enprise Group, which was listed on the NZAX in December 2014, Enprise Solutions supports around 750 MYOB EXO customers across Australasia, with offices in Auckland, Hamilton, Wellington, Sydney and Melbourne.

### **About Enprise Group**

Enprise Group comprises three software businesses that build and provide integrated accounting and data management solutions to small and medium-sized enterprises in New Zealand, Australia and the global market. The Group has international partnerships with business software industry leaders MYOB and SAP, as well as an international channel of reseller partners. All three businesses have growth strategies underpinned by the adoption of Cloud and mobile computing by small to medium sized enterprises.

Enprise Group co-founder and CEO Mark Loveys is one of New Zealand's best known software entrepreneurs. He was the original developer of the Exonet ERP business software solution, now called MYOB EXO. MYOB EXO is the most widely installed business software among mid-sized companies across New Zealand and Australia. Other high profile achievements include the development and sale of the EMS Cortex cloud provisioning software, sold to Citrix in February 2011 for US \$11 million. Loveys was also a co-founder and director in Datasquirt, an innovative call centre

software product sold to Californian call centre provider LiveOps Inc. for US \$12.5 million in November 2011.

Listed on the New Zealand Stock Exchange's NZX Alternative Market (NZAX) during December 2014, Enprise Group (ENS) has three operating divisions: Enprise Solutions, Enprise Software and Datagate Innovation Ltd.

**Enprise Solutions** is a leading specialist provider of solutions based on the MYOB EXO and MYOB Advanced software platforms. It supports around 750 MYOB EXO customers across Australia and New Zealand, with branch offices in Auckland, Hamilton, Wellington, Sydney and Melbourne.

**Enprise Software** is an international SAP Business One software development partner. Enprise Software develops, sells and supports a suite of award winning add-on modules for the SAP Business One business software platform through a global reseller channel. Enprise Software's flagship add-on module 'Enprise Job' is now in use by more than 300 SAP Business One customers around the world.

**Datagate Innovation Ltd** is an early-stage Cloud software development company specialising in online reporting and billing portals for Telcos, utility companies and hosted service providers.
