

Enprise Group appoints Non-Executive Director

AUCKLAND, 4 February, 2019 - Enprise Group (NZAX: ENS) has appointed Marisa Fong to its board as Non-Executive Director.

Marisa co-founded The Madison Group in 1998, successfully growing it to become New Zealand's largest, privately owned Recruitment Company. Having won numerous awards, it was acquired in 2013 by listed public company AWF, in a textbook deal that set a precedent for the industry.

Marisa's memberships include: FKA (Flying Kiwi Angels), NZ Asian Leaders, Institute of Directors, Entrepreneurs Organisation and Global Women. She is co-founder of TBC Partners, a consultancy that supports Founder/Owners of private enterprise on their entrepreneurial journey and is in the throes of launching a new startup in the skincare space with an international focus. Marisa is passionate about NZ Inc. and channels all her commercial and advisory involvement accordingly.

Marisa has created a portfolio of angel investments and supports causes close to her heart. She is currently an Advisory Board member for NZ Work Research Institute (an adjunct of AUT); an Advisory Board member for Weirdly (a SaaS that identifies best culture fit for organisations with high volume recruitment needs); is a Trustee of Simplicity, a new not-for-profit low fees Kiwisaver Fund; and is a Category Judge for New Zealander of the Year.

About Enprise Group

Listed on the New Zealand Stock Exchange Alternative Market (NZAX) on 1 December 2014, Enprise Group (ENS) is an investment vehicle for high-growth tech companies that complement its core ERP capability. Enprise Group is invested in five businesses – the wholly owned Enprise Solutions, joint ventures Datagate Innovation and Kilimanjaro Consulting, and holdings in iSell and Vadacom.

Enprise Solutions is a cloud business software company that is the leading trans-Tasman provider of solutions based on the MYOB EXO and MYOB Advanced software platforms. Enprise Solutions offers cloud options for every piece of software it sells, including a broad range of companion products to extend the power of the MYOB Advanced and MYOB EXO platforms. The company supports around 750 MYOB EXO and MYOB Advanced customers across Australia and New Zealand.

Datagate Innovation is a cloud telecom billing solution. The Datagate online billing portal enables Managed Service Providers to rate and bill telecommunications services, with optional CCH SureTax and ConnectWise Manage integrations.

Datagate rates and bills unified communications, VoIP, tolls, cellular, data plans and other use-based and subscription services.

Kilimanjaro Consulting is Australia's largest implementer of MYOB's enterprise-level business management solutions. It services clients in a range of industries in Australia, New Zealand and the Asia Pacific region.

iSell is a primary provider of business systems to the IT Reseller market. iSell databases contain over 4.5 million products representing more than 2000 vendors available from 100+ distributors. The products are sent automatically to hundreds of IT Resellers daily, across Australia, New Zealand & UK.

Vadacom specialises in phone system software development and unified communications solutions for Australian and New Zealand businesses.

Ends.
